- You can also donate securely online at teleosprep.org/support.
- Questions? Contact Rachel LeBeau at rlebeau@teleosprep.org or 602-774-3663.

Community Investment 2015-16

Frequently Asked Questions

Q: How is this contribution different than my contribution to the Tax Credit drive?

A: All gifts to the Community Investment campaign support the curricular and in-classroom needs of Teleos Prep. All gifts to the Tax Credit drive support our field trips, character-building, and extra-curricular programs.

Q: Why does Teleos Prep ask parents to donate to the annual Community Investment campaign?

A: Teleos Prep asks our families for contributions to the annual Community Investment campaign because the essential priorities of our distinctive educational model cost more per-student than what we receive from public funding. As a public charter school, Teleos Prep is a tuition-free school with the freedom to deliver the type of education you want for your child. The trade-off for this freedom is that charter schools receive less funding per-student than district schools, and we must pay for our own facilities on top of that.

Your support through our Community Investment campaign allows us to run Teleos Prep day-to-day, and to hold fast to our mission as we plan and grow: our class sizes stay small with two teachers in each core classroom, the arts are kept as an integral part of our curriculum, and we are able to reward and retain the very best faculty.

Our teachers instruct fewer students than the district average, are better able to prepare for their lessons, and have more time for communication with parents. The result is that our students receive more direct instruction from excellent teachers, more meaningful assignments, timely feedback, and the opportunity for one-on-one tutoring. **These are essentials you will not find at a district school. These are why you chose Teleos Prep for your child.**

Q: What does Teleos Prep ask each family to give?

A: We ask each family to contribute **\$1,200** per-student to help cover the gap between what we need for our academic model and what we receive from public funding. Knowing that the situation is different for every family, we encourage families to give as they are able.

Q: How can I participate?

A: Many families choose to spread out their contribution by making monthly gifts through Teleos Prep's fiscal year, July 1 through June 30. Other families make a one-time gift to the Community Investment campaign. Every family's participation, at any level, is vital to supporting the priorities of Teleos Prep.

Q: Where does my contribution go?

A: 100% of your contribution stays at Teleos Prep to support the core priorities of our academic model.
