The mission of Teleos Preparatory Academy (TPA) is to provide students with a distinguished college-preparatory, liberal arts program to educate students for the lifelong pursuit of truth, goodness, and beauty. TPA believes that the opportunity to participate in a wide variety of selected activities is a vital part of this educational experience. Such participation is a privilege that carries with it responsibility to the school, to the activity, to other students, to the community, and to the athletes themselves. Athletics provides a balance of experiences that contribute to the development of learning and emotional skills that enable the student to achieve maximum benefit from his or her education.

- To use athletic participation as an opportunity to help develop trustworthiness, responsibility, respect, fairness, caring, and citizenship.
